

Appl. No. 10/026,179
Amdt. dated 7/20/04

Remarks

This amendment is submitted under the provisions of 37 CFR 1.312 to correct inadvertent errors in the Specification and Abstract. Since these changes require no further search nor material consideration by the Examiner, entry under the provisions of 37 CFR 1.312 is believed to be in order. Such favorable action is respectfully solicited.

For the record Applicants point out an apparent inadvertent error in the Detailed Action, page 2, accompanying the Notice of Allowability. Paragraph 3 refers to an election to prosecute claims 20-25 when, in fact, and as the Detailed Action otherwise confirms, the election was to prosecute claims 1-19 which is hereby affirmed.

The undersigned may be reached at (770) 587-8096.

Respectfully submitted,

John Sayovitz et al.
